NURSE UPDATES

MEDICATION REMINDERS FROM NURSE

Prescription Medication (administered at school):

- For any **non-seizure medication**, the prescribing physician must complete/sign the General Medication Administration Record form as well as signed/dated by the parent/guardian *(on page 2)*. A separate form should be completed for each medication. The school nurse cannot administer any medication without this form completed properly.

- For any **seizure medication**, a different Seizure Medication Administration Form must be completed/signed by the prescribing physician as well as signed/dated by the parent/guardian *(on page 2)*. Up to two seizure medications can be on each form. The school nurse cannot administer any medication without this form completed properly.

- If your child has a chronic condition such as asthma, allergies, diabetes or seizures please contact their provider to obtain an updated action plan and please email it to Nurse Jackie or drop off to main office.

Over The Counter (OTC) Medication (administered at school):

- A parent/guardian should complete the medication form, sign and date *(on page 2)*. This can be emailed to Nurse Jackie once completed or dropped off to the main office. A separate form should be completed for each medication. The school nurse cannot administer any medication without this form completed properly.

Other Notes:

- All medication should be brought to the school's main office **by an adult** and should not be sent in with the child
- All medication should be in an updated, properly labeled prescription bottle or original packaging if OTC.
- Ensure medications are not expired
- Blank General Medication Administration forms can be found online at Sylvania school website (Our District – Student Support Services – Medical Forms - Medication and Treatment at school K-12 Administration of Medication - link) https://www.sylvania.k12.oh.us/MedicalForms.aspx

Thank you for your assistance!

Student Address:			**Student Phone #(if applicable):**
Parent/Guardian Name:			**Parent/Guardian Phone #:**
School:	**Grade/Homeroom:**	**Teacher:**	**School Year:**
List Any Known Drug Allergies/Interactions:		**Height:**	**Weight:**

PRESCRIBER AUTHORIZATION

Name of Medication:			**Strength/Formulation:**
Dosage:		**Route:**	**Time/Interval:**
Date to Begin Medication:		**Date to End Medication:**	
Circumstances for Use:			
Side Effects/Special Instructions:			
Treatment in the Event of an Adverse Reaction:			
Epinephrine Delivery System:	☐ Not Applicable ☐ Yes, as the prescriber, I have determined that this student is capable of possessing and using this delivery sytem appropriately and have provided the student training in the proper use of the delivery sytem.		
Asthma Inhaler:	☐ Not Applicable ☐ Yes, if conditions are satisfied per ORC 3313.716, the student may possess and use the inhaler at school or at any activity event or program sponsored by or in which the student's school is a participant.		
Procedures for school employees if the student is unable to administer the medication or if it does not produce the expected relief:			
Possible Severe Adverse Reaction(s) per ORC 3313.716 and 3313.718: **a) To the student for whom it is prescribed (that should be reported to the prescriber):** **b) To a student for whom it is not prescribed who receives a dose:**			
Other Medication Instructions:			Does medication require refrigeration? ☐ Yes ☐ No
Prescriber Signature:			**Date:**
Phone:	**Fax:**	**Prescriber Emergency Phone #:**	
Prescriber Name and Address (Print):			

Reminder note for prescriber: ORC 3313.718 requires backup epinephrine delivery system and best practice recommends backup asthma inhaler.

General Medication Administration Record (GMAR)

Do not use for seizure or diabetes medications.
This form does not replace standard individual healthcare plans.

Ohio Department of Health

PARENT / GUARDIAN AUTHORIZATION AND SELF-CARRY AUTHORIZATION FOR EPINEPHRINE AND / OR INHALER

I authorize an employee of the board of education or governing authority to administer the above medication. I understand that additional parent/prescriber signed statements will be necessary if the dosage of medication is changed. I also authorize the school employee or licensed healthcare professional to talk with the prescriber or pharmacist to clarify the medication order. I agree to submit a revised statement signed by the prescriber to the board or governing authority or a person designated by the board or governing authority if any of the information provided by the prescriber changes.

Medication form must be received by the principal, their designee, and/or the school nurse. I understand that the medication must be in the original container and be properly labeled with the student's name, prescriber's name, date of prescription, name of medication, dosage, strength, time interval, route of administration and the date of drug expiration when appropriate.

Self-Carry Authorization for Epinephrine or Inhaler:

☐ **For Epinephrine Delivery System:** As the parent/guardian of this student, I authorize my child to possess and use an epinephrine delivery system, as prescribed, at the school and any activity, event, or program sponsored by or in which the student's school is a participant. I understand that a school employee will immediately request assistance from an emergency medical service provider if this medication is administered. I will provide a backup dose of the medication to the school principal or nurse as required by law.

☐ **For Asthma Inhaler:** As the parent/guardian of this student, I authorize my child to possess and use an asthma inhaler as prescribed, at the school and any activity, event, or program sponsored by or in which the student's school is a participant.

Our Sylvania SCHOOLS

LEARNING TODAY. LEADING TOMORROW.

SCHOOL BUS SAFETY

A Shared Responsibility

FOR THE SAFETY OF OUR STUDENTS IN SYLVANIA SCHOOLS

When we all follow the rules, everyone gets home safely.

BE PREPARED

Be alert.
Slow down in school zones and watch for children.

STOP FOR BUSES

Drivers must stop at least 10 feet away from a bus with flashing lights and extended stop arms.

STAY IN SIGHT

If you can't see the driver, the driver can't see you.

WHEN TO STOP

OHIO LAW: You must stop for a school bus (flashing red lights and extended stop arm) in BOTH directions on:

- All roads with two lanes
- All roads with three or more lanes (with no physical median)
- At any time children are getting on or off the bus

You must stop at least 10 feet away and remain stopped until the stop arm is withdrawn and the lights stop flashing.

10 FEET

WHEN YOU DO NOT NEED TO STOP

You do NOT need to stop if the road has a physical median (raised divider or grass median) between you and the school bus.

The bus is on the far side of the median. You can keep going.

SCHOOL BUS DANGER ZONES

The danger zone is the 10-foot area around the bus where children are most at risk.

- Stay out of the danger zone.
- If a child drops something, they should tell the driver before picking it up.

WATCH FOR CHILDREN

Children may be unpredictable. They may not stop, look, or listen.

Be extra cautious in neighborhoods, school zones and at bus stops.

Slow down. Obey school zone speed limits. Every life is worth it.

BE PATIENT

Delays are a small price to pay for a child's safety.

Never pass a stopped school bus.

WHAT YOU CAN DO

- ✓ Follow the law.
- ✓ Put away distractions.
- ✓ Be alert in all school zones.
- ✓ Respect the stop arm.
- ✓ Help keep our students safe.

SAFE KIDS. STRONG COMMUNITY.

REMEMBER

School buses are the safest way for students to get to and from school. Let's work together to keep Sylvania Schools students safe—every day.

QUICK REMINDERS FOR DRIVERS

- Slow down in school zones.
- Stop at least 10 feet away from the bus.
- Wait until the stop arm is withdrawn and lights stop flashing.
- Watch for children entering or exiting the bus.
- Stay alert. Children can be hard to see.

Our Sylvania

We all play a role.
Thank you for keeping our students safe!
